

### R20 Cordless Grease Gun 429ml 690bar Solo RDP-JGG20

Art. number: **041606**

Barcode: **3800972032002**

- ✓ Maximum pressure of 690 bar: This is an extremely high pressure that allows the machine to be used for heavy industrial tasks. The high pressure provides better efficiency when supplying lubricants even in hard-to-reach or large volumes
- ✓ 429ml capacity tank: Increased tank capacity allows for longer run times without the need for frequent refills. This is especially useful for long work sessions where a continuous supply of lubricant is required
- ✓ Takalamite is suitable for use in a variety of industries, including automotive, engineering and agriculture. It can be used to lubricate various mechanisms, such as bearings, gears and other moving parts.
- ✓ The machine comes without battery and charger

#### TECHNICAL FEATURES

| Parameter         | Measure Unit | Value  |
|-------------------|--------------|--------|
| Capacity (ml)     | ml           | 429    |
| Pressure (bar)    | bar          | 690    |
| Rated voltage (V) | V            | 20     |
| Battery type      |              | Li-Ion |
