

## Router 1200W 8mm RD-ER10

Art. number: **051110**

Barcode: **3800972033320**

- ✓ With a power of 1200W, the model offers enough power to process various wooden materials
- ✓ With an 8mm collet, the router bit is compatible with a wide variety of routers. This makes it suitable for various types of milling and decorative edging
- ✓ The RD-ER10 features a speed adjustment feature that allows for precise speed adjustment to the material
- ✓ Quick depth adjustment, which makes work easier and allows quick adjustments

### TECHNICAL FEATURES

| Parameter                      | Measure Unit | Value                    |
|--------------------------------|--------------|--------------------------|
| Maximum no- load speed (min-1) | min-1        | 12000 - 30000            |
| Rated input power (W)          | W            | 1200                     |
| Rated voltage (V)              | V            | 230                      |
| Collet aperture (mm)           | mm           | 8                        |
| Rated voltage type             |              | Corded - Electrical Grid |
